

Appl. No. 09/889,088
Amendment in response to
Notice of Drawing Inconsistency with Specification

Page 2 of 3

Amendments to the Specification:

Please replace the two paragraphs beginning at page 3, line 25
with the following rewritten three paragraphs:

Fig. 7 is a top plane view showing a modification of an embodiment shown in
Fig. 2; and

Fig. 8 is a block diagram representing a modification of an embodiment shown
in Fig. 3; and

Fig. 9 is a block diagram schematically representing a possible modified
arrangement for the source driver 3 and decoder 6.
